**ORDER DENYING MOTION**

The Respondent's motion to dismiss the claims raised in the consolidated complaint's paragraphs 4(b), 4(c), 4(k), and 4(h) is denied. On January 19, 2018, the Region issued an amendment to the consolidated complaint which deleted certain of the allegations at issue in the Respondent's motion. Regarding the remaining allegations in the consolidated complaint, the Respondent has failed to establish that there are no genuine issues of material fact warranting a hearing and that it is entitled to judgment as a matter of law.
